

Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Friday 20 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:

A dry start then rain spreading northeastwards later.

Today:

A dry start with some bright or sunny intervals mainly in east. Rain reaching the southwest by early afternoon will turn heavier later with some spreading to Edinburgh and Peeblesshire by the evening. Maximum temperature 20 deg C (68 deg F).

Tonight:

Cloudy with outbreaks of rain continuing on and off, some of the rain quite heavy. A mild night with light winds. Minimum temperature 14 deg C (57 deg F).

Saturday:

A cloudy day with some outbreaks of rain, these light and patchy in the morning before turning heavier in the afternoon with the odd rumble of thunder possible. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:

Rain will clear on Saturday night, then the rest of the weekend, Monday and Tuesday will be dry with sunny spells, and becoming warmer.
